## Become a private equity professional: NREP Transactions Internship 2018

NREP is a leading pan-Nordic Private Equity Real Estate firm combining focused investment strategies and active asset management to achieve superior risk-adjusted returns

Our 120 professionals across the Nordics manage EUR 3.5 billion in assets – typical background for our transactions team members is top-tier management consulting or investment banking

We are now offering internships of 3-4 months to 3-4 motivated students during 2018 and early 2019 to support the continued growth of our Helsinki office

NREP, previously known as Nordic Real Estate Partners, was founded in 2005 and has since raised eleven funds. We invest mainly in retail, logistics and residential properties across all the Nordic countries from our offices in Helsinki, Stockholm, Copenhagen and Oslo. Since inception, we have achieved an IRR of more than 20% across all investments with not a single year of losses. In 2017 Preqin ranked NREP as the most consistently outperforming real estate investment manager globally<sup>1</sup>. Investors in our funds are leading pension funds, university endowments and other institutional investors from Europe and North America. NREP is fully owned by its twelve partners.

The internship consists mostly of supporting the Finnish transactions team, composed of two partners and six investment professionals, in sourcing and executing investments and divestments as well as developing new business opportunities for NREP. Independent projects are possible depending on the background and skills of the intern. The internship experience will be valuable to anyone considering a career in private equity, investment management or real estate. Timing and working hours can be tailored to suit studies.

We are looking for motivated, fun colleagues who are both business-minded and diligent. A successful candidate has completed 2-4 years of university studies, with a focus in business, finance, investment management or quantitative studies. Fluent written and spoken English and experience with Excel and PowerPoint are further requirements.

Please submit your application including a single-page cover letter, CV and grade transcript to [helsinki.recruiting@nrep.com](mailto:helsinki.recruiting@nrep.com) by 15<sup>th</sup> of January 2018. Any possible questions related to the internship can be sent to Ilkka Salminen ([ilkka.salminen@nrep.com](mailto:ilkka.salminen@nrep.com)).
