

Are you curious to learn about strategy consulting?  
Would you like to experience how consultants approach  
problem solving in real-life client cases? Are you eager to  
jump in the shoes of a consultant for an evening?

## WE WARMLY WELCOME YOU TO 'CRACK A CASE' WITH AUGUST 17.4.2018

During the evening you will **get concrete tools to develop your problem structuring and solving skills** in a workshop facilitated by August consultants. You will also get an instant chance to **apply these tools by cracking a recent real-life business problem** with sparring support, and **learn some useful tips and tricks on how to prepare you for an interview**. Later on, over food and drinks, you will have a good opportunity to get to know our consultants.

The number of participants is limited, so act fast!

---
