

# Meet McKinsey

**It is our pleasure to invite Aalto Finance and Industrial Engineering and Management students in their 3rd or later year of studies to spend a relaxed virtual evening with fellow students and our consultants!**

Join us for a casual evening of networking with like-minded individuals in the early phases of their careers. During this interactive evening, we will dive into selected career advancement topics that most of us have faced in the beginning of the professional life using peer-to-peer coaching.
