

EY Corporate Finance – We are hiring!

EY Corporate Finance is a leading Corporate Finance advisor with a truly global presence of over 1,900 M&A professionals globally and over 1,200 M&A mandates completed in the last 5 years in Europe. We provide full-service, industry specific Corporate Finance advice incl. Mergers and Acquisitions (M&A), Debt Advisory, Infrastructure Projects and Capital Raising transactions to domestic and international private equity and corporate clients and entrepreneurs from different industries. The team is part of EY's Strategy and Transactions practice, working alongside other transaction specialists.

Corporate Finance Analyst Intern

We are currently looking for talented graduates and young professionals with a business mindset and can-do attitude to join our growing Nordic Corporate Finance team, based in Helsinki.

Your key responsibilities include

- Working independently with the support of the other members of the team in preparation of client presentations and other deliverables
- Gathering and analyzing information on companies operating in various industries
- Conducting company valuations and market analysis
- Attending client meetings

What we are looking for

- A team-oriented mentality with high personal integrity and social intelligence, capable of working effectively in a multicultural, international environment
- An analytical, result- and detail-oriented mindset can-do attitude and a strong willingness to learn and develop
- Currently pursuing an academic degree (M.Sc. Econ. or M.Sc. Tech) in the field of, e.g. Finance, Accounting, Economics or Industrial Engineering and Management, with strong academic record
- Fluent skills in both Finnish and English and excellent command of the Microsoft Office suite

What we offer

As a Corporate Finance Analyst Intern, you'll have the opportunity to develop your career through a broad scope of engagements, mentoring and formal training provided by highly experienced M&A professionals:

- Meaningful work in a leading Corporate Finance team where you have the chance to participate in high-profile local and international M&A transaction, leveraging our local presence, international network and extensive industry expertise
- Opportunities to develop new skills and progress your career, with coaching from our international network
- Freedom and flexibility to handle your role in a way that's right for you
